Disclaimer- Physician Owned Practices

Because of APTA's policy against arrangements under which sources of referral (including physicians) stand to profit from referring patients for physical therapy (Financial Considerations in Practice, HOD 06-99-13-17), APTA Alaska does not accept job listings for positions in a practice if any physician has a financial interest in the practice and refers patients to an employed physical therapist or to a physical therapist who supervises an employed physical therapist assistant.

To complete your submission, you must make the following certification by checking the “I agree” box below:

I AGREE

“I certify that no referral source (including any referring physician) has a financial interest in the practice that has the position that is the subject of this advertisement.”
